If you are hospitalized between October 30th at 5PM and Election Day on November 3rd, you are eligible to vote by following these steps:

You are also eligible if a family death or illness that requires you to leave your community for the entire time the polls are open on election day

1. Check your voter registration at [www.patientvoting.com/check](http://www.patientvoting.com/check)
2. Print a regular absentee ballot application from online or on our Michigan page: [https://www.michigan.gov/documents/sos/AVApp\\_535884\\_7.pdf](https://www.michigan.gov/documents/sos/AVApp_535884_7.pdf)

You may download the regular absentee application from online and write 'Emergency' on the top of the regular absentee ballot application.

Additionally, we recommend an additional piece of paper for clarity, with the following written: "I have been unexpectedly hospitalized at [NAME OF] Hospital starting on [DATE] and expect that I will be unable to make it to the polls on Election Day. I am requesting an Emergency Absentee Ballot."

The patient may designate an authorized agent, who must complete a portion of the emergency absentee application stating "...I am delivering the absentee voter ballot application of [PATIENT NAME] at his or her request..."

3. You must deliver the above to your city or township clerk's office before 4 p.m. on election day. Find your clerks address at: <https://mvic.sos.state.mi.us/Clerk>

There is no mail or electronic submission of application/ballots in Michigan.

4. Receive ballot from your authorized agent
5. Vote and return completed ballot to Board of Canvassers by Election Day on November 3rd 8PM by authorized agent.
